WIRELESS BLUETOOTH SPEAKER INSIDE
COLOR CHANGING LED BULB

Solo Color Plus

Pump up your next party with over 16 million color varieties combined with a high-quality speaker. Or enjoy total relaxation by mixing a soothing playlist with calming shades. Use the free iOS/Android app to select one of five preset modes and watch the color change to the beat of your music.

- Enjoy a full-range, 1.58" speaker with deep bass and extended volume that's always fully charged from the socket.
- Play your favorite saved or streamed audio from Pandora, Spotify and more.
