

15-SECOND GRADUAL DIM UNTIL OFF

Twilight

Enjoy 15 seconds of gradually dimming light after flipping the switch off. Easily navigate from one room to another or add comfort to children's bedtime routine by eliminating abrupt darkness.

- Twist into standard E26 sockets in various fixtures throughout the home.
- 2700K, soft white light is perfect for everyday use
- A19: 60 Watt equivalent using 8.5W, 800 lumens
BR30: 65 Watt equivalent using 7.5W, 650 lumens
